COMPANY PROFILE

Here 24 Healthcare Services, LLC provides essential Healthcare IT services to our highly-valued clientele. The story behind Here 24 comes from a registered nurse with an extensive clinical background working in the ICU as a registered professional nurse and at the time was going through some changes in healthcare with computer systems. My passion for training my colleagues to provide efficient documentation and allocate more time for patient care was the utmost priority we aimed for in order to provide effective patient care. Since the inception of Here 24 in August of 2012, we have obtained over 10 plus years of industry experience and are proud to provide a range of home care and Healthcare IT services to meet our client's unique needs!

We opened our doors to provide consulting services in the state of Georgia and we're continuing to grow as a small business. The areas that we specialize in include but are not limited to; Healthcare IT Support, software curriculum development, software training, application analyst, clinical quality and ensure compliance requirement, clinical consulting, home care services, and ancillary services. Along with top-notch assistance, we value our client's needs through offering 24-hour client support services as well. Our team of professionals are reliable, dependable, and trustworthy to ensure maximum customer satisfaction. At Here 24 Healthcare Services, we believe that caring is more than just a job, it's a way of life!
